

Northern Rivers Clotheslines & Letterboxes

Rendered Style Pillar Letterbox Range

THE PRODUCT

These letterboxes are manufactured using a high density lightweight core with a hard coat and sand textured finish. The application of this coating provides a superior strength along with stylish modern 'rendered' aesthetics.

THE FEATURES

All letterboxes come standard with a brushed silver mail insert which accommodates A4 size envelopes lying flat (Australia Post compliant). The mail insert is fully lockable (with 2 keys provided) ensuring the security of your mail. As the insert is supplied in a brushed silver finish you can paint over it to match your house facade colour or alternatively leave the modern look of the silver as a contrast against the letterbox colour you choose.

620mm x D 360mm.

Right or left design
configurations are
available.

\$520.00 incl. GST

**JAMAICA (with Paper
Holder)**

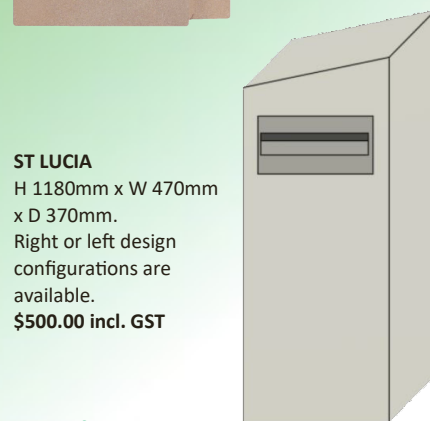

\$550.00 incl. GST

ANTIGUA

H 1000mm x W
730mm x D 450mm.

\$620.00 incl. GST

ST LUCIA

H 1180mm x W 470mm
x D 370mm.

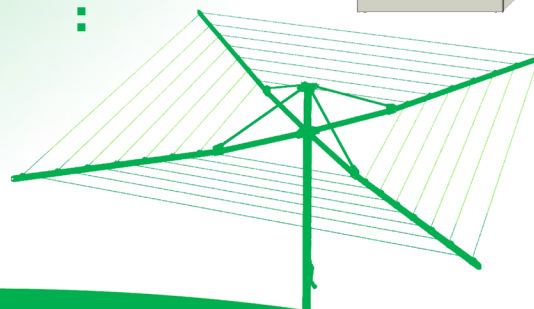

Right or left design
configurations are
available.

\$500.00 incl. GST

All prices include installation* and key lock with 2 keys.

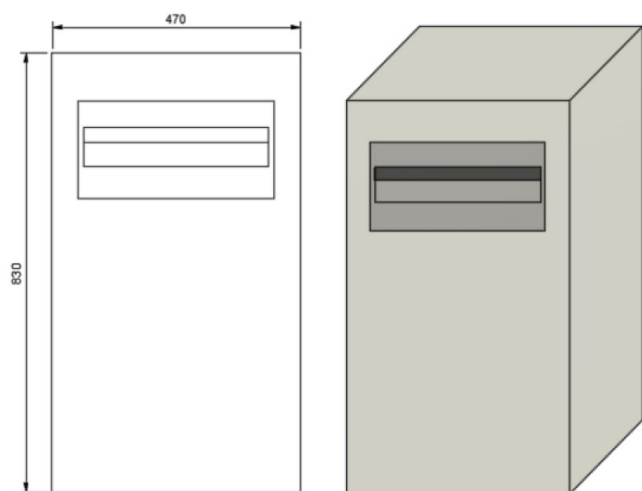

**Installation within nominated service areas only.*

All other areas by negotiation.
